RE: New Group Insurance Rates and Employer Contribution to Retirement

Effective July 1, 1979, the State's group health insurance rates will change. In order to assist you in effecting this change, we will pre-list back to you the new state paid rates for health insurance for eligible employees. If you are paid semi-monthly, the July 1-15 prelist for state paid health insurance will show \$21.88 if there is no dependent coverage and \$25.38 if there is dependent coverage. If you are paid monthly, the July prelist will show \$43.76 if there is no dependent coverage and \$50.76 if there is dependent coverage. It will be your responsibility to apply the new rates for dependent coverage. These rates can be found in the May 3, 1979, letter from William J. Boys, Director of the Department of Personnel.

Also effective July 1, 1979, the new employer contribution to retirement will be 8%. Please refer to the January 9, 1979, letter from Robert E. Doolen of the State Employees' Retirement System.
